

ARISEROOM INTERNATIONAL ...empowering generations for the transformation of nations.

INTRODUCTION

Ariserom International is a faith-based, non-profit and non-governmental organization that directly engages and inspires transformation in every strata of the nation. It was founded in 2018 by the Lead Director; Tolase Afolabi. The organization runs with the mandate to raise nation builders who will build make the world a place of possibilities, opportunities and excellence (POE World).

OUR VISION

To empower generations for the transformation of nations.

OUR MISSION

1. To help a generation discover and live out their potentials with significant impact on their nation.
2. To breed a generation of social executives who will make their nations a place of possibilities, opportunities and excellence.
3. To equip and empower individuals with the tools to engage and inspire transformation in the world.
4. To redefine the political world by raising politically equipped individuals with credible values.
5. To show God's love to every human being.

MODES OF OPERATION

1. We equip individuals with the keys required to release their potentials to serve God and benefit humanity.
2. We implement nation building strategies for national engagement in political leadership, education, environment and economy.
3. We hold a class training called Strategic Room.
4. We conduct prayers and intercession for Nigeria, Africa and other world nations.
5. We reach out to the poor, homeless and the deprived populace through our charity-based organization and provide help in the ways we can to help live out their God's given destinies and have good life.
6. We reach out to the lost souls through modern channels of missions and evangelism.

OUR GOALS

1. To build a new breed of individuals that are spiritually, socially and economically successful.
2. To provide platform for learning principles of nation building, leadership, politics and economic education for everybody in a secular way
3. To cultivate the mind of every Nigerian and other third world with excellence in service, leadership, patriotism and entrepreneurship.
4. To mobilize resources for the earth through equipped leaders that will create a world of possibilities, opportunities and excellence.
